A Tree Grows in Greenpoint: Trees & the Built Environment

White Oak Leaf, Larry Federman

Do you want to know more about the trees in your parks and neighborhood? Join Audubon New York and Prospect Park Alliance for this FREE hands-on workshop to learn why street trees are important for birds and the people of Brooklyn. Participants will use field guides to ID City trees by their different characteristics and participate in a tree survey to learn how scientists observe trees for health and disease. Don't miss this opportunity to become a tree expert!

WHO: Workshops are open to adults and families.

WHEN: Saturday October 15 11:30 a.m. - 1:30 p.m. and

Sunday, October 23 11:30 a.m. - 1:30 p.m.
