

THE SCHOOL OF THE NEW AMERICAN FARMSTEAD

HOLISTIC FOREST MANAGEMENT

WITH JARED NUNNERY, RICK THOMAS, STEVE
GABRIEL, KEN MUDGE, STEVE HAGENBUCH, NATE
SKORSTAD

A hands-on intensive that expands the concept of the farmstead to include forested areas. A diverse and knowledgeable team of instructors offer an in-depth introduction to ecologically sensitive yet productive, low-impact forest management techniques for timber and non-timber forest products.
